Garland, TX -- Rackmount Solutions, Ltd. Gains National Recognition. Local Women Business Named and Ranked 349 among Nation's Top 500 Women Owned Business List

For the second year in a row, DiversityBusiness.com, the nations' leading multicultural internet site, has named **Rackmount Solutions, Ltd. as one of the "Top 100 Woman Owned Businesses in the State of Texas (Div100)"** and **"Top 500 Women Owned Businesses in America (Div500)."**

The Div100 is the 8th annual listing of the Texas's top 100 Woman Owned businesses and the Div500 is the 8th annual listing of the nation's top 500 women-owned businesses. Affected by recent economic and demographic trends and changes, Fortune 1000 corporations throughout the country have recognized that buying products and services from women owned companies positively impacts their business. Diversity-owned businesses contribute over \$1.4 trillion in sales to the U.S. economy.

"Woman Owned Businesses and consumers are a growing force in the U.S. economy, and a force to be reckoned with," said Kenton Clarke, CEO of Computer Consulting Associates International. This is a whole business segment that can carry its own, that provides jobs, products and services, and generates wealth for their communities. These are the new leaders in American business."

The Div100 and Div500

The Div100 is a classification that represents the top 100 Woman Owned businesses in Texas, and the Div500 is a classification that represents the top 500 women-owned businesses in the U.S. in sectors such as technology, manufacturing, food service and professional services. Large organizational buyers throughout the country that do business with women owned businesses use the list. The list is produced annually by DiversityBusiness.com, the nation's leading multicultural B2B Internet portal that links large organizational buyers to multicultural product and service suppliers.
